This versatile hybrid inverter offers 3 charging modes (Only Solar, Utility First, or Solar & Utility) and 2 output modes (Solar First, Utility First), allowing flexibility in power delivery based on your

Easun ISolar SMG-III

Hi. I have Easun inverter and Seplos battery pack. I want to connect them with RS485 cable but I don't know the right pinout for the inverter or BMS side. I tried to make some cable but it doesn't work. Second
