

LiFePO4
12.8V 150Ah

CAUTION!
Do not short circuit.
Do not use in applications where overcharging or over-discharging may occur.
Do not use in applications where high temperatures may occur.
Do not use in applications where high humidity may occur.
Do not use in applications where high vibration may occur.
Do not use in applications where high shock may occur.
Do not use in applications where high pressure may occur.
Do not use in applications where high speed may occur.
Do not use in applications where high acceleration may occur.
Do not use in applications where high deceleration may occur.
Do not use in applications where high frequency may occur.
Do not use in applications where high power may occur.
Do not use in applications where high current may occur.
Do not use in applications where high voltage may occur.
Do not use in applications where high energy may occur.
Do not use in applications where high heat may occur.
Do not use in applications where high cold may occur.
Do not use in applications where high humidity may occur.
Do not use in applications where high pressure may occur.
Do not use in applications where high speed may occur.
Do not use in applications where high acceleration may occur.
Do not use in applications where high deceleration may occur.
Do not use in applications where high frequency may occur.
Do not use in applications where high power may occur.
Do not use in applications where high current may occur.
Do not use in applications where high voltage may occur.
Do not use in applications where high energy may occur.
Do not use in applications where high heat may occur.
Do not use in applications where high cold may occur.

Marke für hochwertige solarkontainer-außenstromversorgung

Beste Solar-Container-Hersteller im Jahr 2024

Diese Kriterien ermöglichen es Einzelpersonen und Organisationen, den boomenden Solarkontainer-Markt 2024 sicher zu navigieren und einen Hersteller auszuwählen, der ihren

Mobil-Grid® 500+ Solarcontainer , écosun innovations

Der MobilGrid® 500+ Solarfold erzeugt nachhaltig und sauber Strom. Nach Fertigstellung kann der mobile Solarcontainer abgebaut und an einem anderen Ort wieder eingesetzt werden. Ob

Solarcontainer , Große mobile Solarstromanlagen

Entdecken Sie unser Sortiment an innovativen Solarmodulen auf Schiffscontainern, die Ihren Bedarf an erneuerbarer Energie mit maximaler Effizienz und Zuverlässigkeit decken.

SunPlate , Ihr nachhaltiger Solarcontainer ?

Unser Solarcontainer verbindet nachhaltige Technologie mit robustem Design und bietet Ihnen eine zuverlässige und umweltfreundliche

Lösung für Ihre mobile Stromversorgung.

To Strive forward No Energy Waste

- ✓ All in one
- ✓ 100-215kWh High-capacity
- ✓ Intelligent Integration

Mobile Solarcontainer von SunOfCon - Energie überall nutzbar

Unsere mobilen Solarcontainer sind die perfekte Lösung für eine umweltfreundliche und zuverlässige Stromversorgung. Sie sind ideal für temporäre Veranstaltungen, Baustellen,
